# NORLIN CHARGE TO THE GRADUATES

---

The first commencement at the University of Colorado was held for six graduates on June 8, 1882, in the chapel of Old Main. It was not until 40 years later, on September 4, 1922, that the first summer commencement was held. Since the first commencement in 1882, the University of Colorado Boulder has awarded more than 350,000 degrees. The traditional Norlin Charge to the graduates was first read by President George Norlin to the June 1935 graduating class.

*You are now certified to the world at large as alumni of the university. She is your kindly mother and you her cherished sons and daughters.*

*This exercise denotes not your severance from her, but your union with her. Commencement does not mean, as many wrongly think, the breaking of ties and the beginning of life apart. Rather it marks your initiation in the fullest sense into the fellowship of the university, as bearers of her torch, as centers of her influence, as promoters of her spirit.*

*The university is not the campus, not the buildings on campus, not the faculties, not the students of any one time—not one of these or all of them. The university consists of all who come into and go forth from her halls, who are touched by her influence, and who carry on her spirit. Wherever you go, the university goes with you. Wherever you are at work, there is the university at work.*

*What the university purposes to be, what it must always strive to be, is represented on its seal, which is stamped on your diplomas—a lamp in the hands of youth. If its light shine not in you and from you, how great is its darkness! But if it shine in you today, and in the thousands before you, who can measure its power?*

*With hope and faith, I welcome you into the fellowship. I bid you farewell only in the sense that I pray you may fare well. You go forth, but not from us. We remain, but not severed from you. God go with you and be with you and us.*

**Back row:** Callie Rennison, (D) District 2; Mark VanDriel, (R) District 8; Frank McNulty, (R) District 4; Wanda James, (D) District 1; Glen Gallegos, (R) District 3.

**Front row:** Nolbert Chavez, (D) District 7; Ken Montera, (R), Vice Chair, District 5; Lesley Smith (D), Chair, At Large; Ilana Dubin Spiegel (D) District 6.

Dear graduates:

One of the greatest honors for the University of Colorado Board of Regents, the institution's governing board, is to be part of this commencement ceremony. Your success is a success for us all. Your degree is a measure not only of an accomplishment of dedication and talent, but also notice to the world that you have the skill and discipline to contribute greatly to any endeavor you pursue.

Sincerely,

The Regents of the University of Colorado

This commencement ceremony, like every University of Colorado graduation since 1935, will close with the reading of the Norlin Charge. As originally expressed by former CU President George Norlin in 1935, graduation "marks your initiation in the fullest sense of the fellowship of the university, as bearers of her torch, as centers of her influence, and as promoters of her spirit." Welcome to the ranks of CU's alumni family of 475,000 graduates across all campuses since 1882. Congratulations on achieving this milestone. Well done and well earned!

---

# THE PRESIDENT OF THE UNIVERSITY OF COLORADO

---

Congratulations, graduates!

Today marks a major milestone in your lives. All of us at the University of Colorado celebrate you and your achievement. You should feel great pride in earning your degree and positioning yourselves for further success in the future.

You're now part of an extraordinary network of CU alumni making significant contributions to their communities, the state of Colorado, the nation and the world. As a fellow CU alum, I have experienced firsthand the transformative effects of a CU education. I know yours will serve you well and enable you to serve others.

Among the many things you've learned during your time with us is the value of hard work, perseverance and self-awareness in achieving your goals. Throughout your educational journey you've also undoubtedly benefited from others' support. I encourage you to pay this forward as you make your way in the world. It will be among the most rewarding things you do in life, for yourself and others.

On behalf of the CU community, I wish you success and fulfillment now and in the years to come. Again, congratulations and Go Buffs!

All the best,

Todd Saliman  
President  
University of Colorado

# THE CHANCELLOR OF THE UNIVERSITY OF COLORADO

---

Dear graduates,

Congratulations on earning your degree from the University of Colorado Boulder! I am proud to celebrate this momentous achievement alongside your friends, family and the entire campus community.

I hope you feel that same pride within yourselves as you reflect on the challenges and uncertainties you have overcome to get here. The determination and resilience you have developed over your college career will serve you well in the next chapter of your lives.

As you set your sights on new professional and personal ambitions, my hope is that you will pursue each with honor, integrity and accountability, as the Colorado Creed reminds us. I hope that you will cherish your experiences as a beloved member of the

CU Boulder community and delight in the fact that you have made our campus stronger and better simply through your presence.

This is also a day to recognize those who have supported you along the way: friends, family, faculty, staff and others who have helped illuminate your path. Today you join generations of alumni around the globe who will continue to light the way as you strive to leave a positive mark on humanity, across Colorado and around the world. Those who enter the community of Forever Buffs never roam alone. May you relish today and look forward to tomorrow. We wish you health, happiness and prosperity in all your endeavors.

Sincerely,

Philip P. DiStefano  
Chancellor  
University of Colorado Boulder

# ACADEMIC DRESS

In 1896, U.S. colleges and universities adopted a uniform code governing academic dress. University of Colorado master's and doctoral degree recipients wear hoods lined with the university colors, silver and gold. The velvet border indicates the degree and usually follows the same code as the color of the tassels.

The Oxford cap, or mortarboard, has a long tassel fastened by a button on the top. Candidates for

baccalaureate degrees wear the tassel over the right front of the cap before the degree is conferred, and over the left thereafter. The color of the tassel on the bachelor's cap indicates the field of study, with the exception of the BA degree, whose candidates wear white tassels indicating the arts. ## THE PRESIDENTIAL CHAIN OF OFFICE AND THE UNIVERSITY MACE

The Presidential Chain of Office and the University Mace were created by Mary Sartor, MFA, University of Colorado Boulder. Both were gifts to the university by Mr. and Mrs. David G. Hawthorn, Class of 1924.

Colorado gold and silver are used in both pieces to symbolize the importance of these minerals to the history of the state. The chain's gemstones also consist entirely of minerals from Colorado.

The chain, created in 1980 for the inauguration of President Arnold R. Weber, holds three suspended pendants. The back pendant is the seal of the state of Colorado surrounded by a golden ribbon representing the golden circle of knowledge. The top pendant in the front is the seal of the University of Colorado surmounted by an arch set with diamonds and topaz, signifying the necessary link between the search for knowledge and its practical application to the world beyond the university.

At the center of the bottom pendant is a gold topaz indicating the quest for knowledge. The surrounding ring is inset with fragmented cubes and diamonds.

The University of Colorado Mace was created for the commencement ceremonies of May 1984. The foot of the scepter is encased in sterling silver bound in 14-karat gold, ending in an intaglio of the seal of Colorado. The shaft of the mace was carved from a black walnut tree thought to have been one of the saplings given to the settlers of the Colorado Territory by President Abraham Lincoln.

Sterling silver was also used in the crown, and the university seal is bound in gold and supported by an inner rod of gold surrounded by eight arching tapered silver ribs. At the base, the motto of the university, translated as Let Your Light Shine, encircles the crown in Greek characters. The wooden staff is bound at intervals in gold and silver rings.

---

## THE UNIVERSITY SEAL

---

In its history, the University of Colorado has used three different seals. The current seal, adopted in 1908, depicts a male Greek classical figure sitting in front of a pillar and holding a scroll. Next to the figure, laurel branches frame a burning torch. The inscription in Greek reads Let Your Light Shine. The seal's designer, Henry Read of Denver, chose the classical motif because Greek civilization stood as the criterion of culture. The laurel symbolizes honor or success; the youth suggests the morning of life; and the scroll represents written language.

From 1893 to 1908, the university seal was a copy of Wyon's medallion, Science Trims the Lamp of Life. In this version, a Greek woman knelt before a lamp, and stalks of mariposa lilies decorated the border. Before 1893, an adaptation of the Colorado state seal was used, but it was never adopted by the Board of Regents.

The seal is used primarily on official documents, such as diplomas and transcripts that have been issued on behalf of the university. The Board of Regents uses the seal on its official documents and publications. The seal also appears on the President's Chain of Office, the University Mace, regent regalia and various formal publications.

## COMMENCEMENT SPEAKER

---

### **Governor Jared Polis**

Gov. Jared Polis is an entrepreneur, education leader and public servant.

While in office, he cut taxes for small businesses, invested in affordable housing and transportation, and led the effort to provide free, full-day kindergarten and universal preschool. He also delivered more than \$1 billion in property tax relief to homeowners and businesses, reduced the cost of state parks passes by more than 50%, and provided health care savings through efforts such as reinsurance, the Colorado Option, hospital transparency and capping the cost of insulin.

Polis has worked to address climate change, helping to make significant progress toward Colorado's goal of 100% renewable energy by 2040. He took part in CU Boulder's [Right Here, Right Now Global Climate Summit](#) in December 2022, an event that brought together people from around the world to put forth solutions to the harmful effects of climate change. The governor helped Colorado navigate the COVID-19 pandemic and historic wildfires across the state.

Before serving as governor, Polis was a U.S. representative for Colorado's 2nd Congressional District. He also served for six years on the State Board of Education, where he worked to raise pay for teachers and reduce class size for students.

In addition to his public service, Polis is a philanthropist and entrepreneur who started his first business, American Information Systems, out of his college dorm room. By the time he was 30, he'd launched three successful companies, including ProFlowers, one of the world's leading online flower retailers. He was recognized as an Entrepreneur of the Year by Ernst and Young for his pioneering role in the internet economy.

## HONORARY DEGREES

---

### **Henry and Leslie Eaton**

Since graduating from the University of Colorado Boulder in 1962 and '63, Henry "Woody" and Leslie Eaton have worked tirelessly to help as many students as possible experience the transformative power of higher education.

In 1993, they created the Henry and Leslie Eaton Scholarship, awarded to an incoming first-year student from Boulder High School who shows leadership and academic promise. Strong proponents of the humanities, the Eatons made a \$5 million donation in 2000 to support construction of a College of Arts and Sciences building, which the university consequently named the Eaton Humanities Building in their honor. In 2020, Leslie and Woody founded the Eaton Family Scholarships, whose recipients comprise a growing cohort of highly deserving students from Colorado whose lives will be forever changed by a CU education.

The Eatons helped found the Buffalo Bicycle Classic, a community tradition that has raised more than \$3.4 million in scholarships for Colorado high school graduates since 2003 and has become the largest scholarship

fundraising event in the state. In 2007, they reaffirmed their commitment to the humanities by helping establish an endowed chair within the widely known Center of the American West.

Over the years, the Eatons remained active members of the CU community and staunch supporters of its mission, with Woody Eaton serving on the Alumni Association board of directors and the advisory board for the Center of the American West, and Leslie Eaton serving on the Student Affairs Advisory Board and the board for the University of Colorado Foundation.

In recognition of their enthusiastic advocacy for CU Boulder's students, campus and broader community, the Board of Regents is pleased to award Henry and Leslie Eaton the honorary degrees Doctors of Humane Letters, *honoris causa*.

## DISTINGUISHED SERVICE AWARD

---

### **Barbara Grogan**

Barbara Grogan has spent more than four decades championing Colorado as an entrepreneur and community leader.

After graduating from the University of Colorado Boulder in 1969, Grogan quickly established a reputation as one of Colorado's top entrepreneurs. She started Western Industrial Contractors in 1982 with a \$500 pickup truck and a team of three employees, growing it into one of the largest industrial construction companies in the country.

She was also the first woman to chair the boards of the Denver Metro Chamber of Commerce and the Denver branch of the Federal Reserve Bank of Kansas City. Because of her entrepreneurial legacy and impact in Colorado, she has earned spots in the Colorado Business Hall of Fame and the University of Colorado Alumni Hall of Fame.

In addition to her notable business career, Grogan is a widely recognized volunteer and philanthropist who has devoted much of her time and resources to childhood development and education in Colorado. She has served on the boards of organizations such as the Denver Scholarship Foundation, the University of Colorado Foundation, the Early Childhood Leadership Commission for Colorado, College Track Colorado and the Metropolitan State University of Denver Foundation. In honor of her deep involvement in local nonprofits across the state, the Colorado Nonprofit Association named her its Philanthropist of the Year in 2012.

The Board of Regents is pleased to present the Distinguished Service Award to Barbara Grogan for her continuous work to transform Colorado and advocate for its up-and-coming leaders.

---

## DISTINGUISHED SERVICE AWARD

---

### **Ginger Ramsey**

Ginger Ramsey has been a cornerstone of the Boulder Valley School District for more than 40 years.

Beginning in 1981, she served the district as a math instructor and assistant principal at two local schools: Boulder High School and Centaurus High School. A graduate of Arizona State University, Ramsey began pursuing her doctorate at the University of Colorado Boulder in 1986 while working full time for the district, earning an all-but-dissertation degree status.

In 2000, she became the principal of Broomfield High School, where she has led with poise and compassion ever since. In recognition of her “extreme passion and dedication” to the school, the Broomfield Community Foundation presented her with the Heart of Broomfield Angel Award in 2009. During the COVID-19 pandemic,

she guided the school through the transition to online learning and received a second Heart of Broomfield award for her leadership and communication.

An advocate for equity and inclusion, Ramsey is a member of the Principals’ Advisory Committee, ensuring all members of the district have a say in its decisions and processes. She also serves as the principal representative on the superintendent’s cabinet, helping develop and execute the district’s goals, vision and mission.

The Board of Regents is pleased to present the Distinguished Service Award to Ginger Ramsey for her steadfast commitment to shaping tomorrow’s leaders and her ongoing impact on the greater Boulder community.

## UNIVERSITY MEDAL

---

### **Allan McMurray**

During his 35-year tenure at CU Boulder, Allan McMurray elevated the College of Music to one of the top destinations for studying instrumental conducting.

As the college’s director of bands from 1978 to 2013, McMurray developed the master’s and doctoral programs in instrumental conducting and held the first College Band Directors National Association (CBDNA) Summer Conducting Symposium. In recognition of the international impact of his teaching, the University of Colorado and Board of Regents honored McMurray in 2004 with a lifetime appointment as a Distinguished Professor, making him the first in the College of Music to hold the title.

International accolades for McMurray, one of the world’s leading wind ensemble and conducting teachers, include guest-conducting engagements in 15 countries

and visiting professor appointments at more than 200 universities and conservatories. Under his leadership, the University of Colorado Wind Symphony performed by invitation in England and Japan, and twice at conventions of the CBDNA.

Since his retirement, he has remained active as a guest conductor, keynote speaker and teacher at conferences across the country. In 2019, he received the Lifetime Achievement Award from the CBDNA in honor of his decades of instructional excellence.

For his dedication to bettering the University of Colorado and the lives of music students around the world, the Board of Regents is pleased to award the University Medal to Allan McMurray.

# CHANCELLOR'S IMPACT AWARD

---

## **David Bolen**

David Bolen introduced CU Boulder to the world, paving the way for Buffs to represent the United States as Olympians and ambassadors.

After a historic year on the track team, Bolen became the first Buff to qualify for the Olympics. While pursuing his master's degree, he competed in the 1948 London Olympics, placing fourth in the 400-meter run. In his honor, the university declared Nov. 20, 1948, "David Bolen Day."

Upon the completion of his MBA in 1950, Bolen began his diplomatic career by serving in Monrovia, Pakistan, Ghana and Yugoslavia. In 1974, President Richard Nixon appointed him ambassador to Botswana, Lesotho and Swaziland, where Bolen helped initiate what led to the dismantling of apartheid in South Africa. In 1977, President Jimmy Carter appointed him ambassador to East Germany, where he helped lay the foundation for the fall of the Berlin Wall.

After retiring in 1989, Bolen captured his journey from childhood to the Olympics to his ambassadorships in his memoir, *Running Down The Dream*.

For his devotion to bettering society, CU Boulder recognized Bolen with the George Norlin Award and named him to the university's Hall of Honor. He later became a member of the University of Colorado Athletic Hall of Fame and a distinguished alumnus of the Leeds School of Business. Today, select students continue his legacy as recipients of the Ambassador David Bolen Scholarship, an award given with priority to Buffs pursuing the Olympics.

The chancellor of the University of Colorado Boulder is pleased to present the Chancellor's Impact Award posthumously to David Bolen for a lifetime of contributions to world peace and prosperity. The award is accepted by Ambassador Bolen's daughter, Cindy Bolen-Nieland.

# SAFETY

The University of Colorado Boulder works diligently to ensure the safety of our graduates, their families and their friends during the spring 2023 Commencement Ceremony. You can do your part by noting the following:

- Once you are seated in Folsom Field, locate the nearest exit. If you are seated on the field level, you should exit north (toward Dal Ward Athletic Center).
- Listen carefully and follow any instructions that might be issued by the Master of Ceremonies or other public safety authority.
- Parents should keep their children with them at all times.
- Pay particular attention to the safety of any elderly people and people with disabilities.
- If directed to evacuate Folsom Field, move away from the stadium and remain outside until you receive an all-clear by a public safety authority.
- If necessary, seek assistance from a robed commencement marshal, uniformed police officer or security guard.
- For emergency medical treatment, please dial 911. Event security staff can help during medical emergencies.
