## Things to Do Today

---

### **Update Your Address**

Check the addresses on your schedule/bill. Are they current? If you need to make any changes, please pick up an address form at the address table. Sign your form and submit it at the same table.

Your **mailing** address should be the address where you are now living. We will send financial aid information, bills, registration updates, and other campus mailings to you at this address through mid-May, 1990. Please keep it current! Note: Dorm students should be sure to make any address changes with their dorm as well as the registrar's office.

Your **permanent** address is considered your "home base" address. This can be your parent's address, a Boulder address where you reside all year, or the address of someone who knows how to reach you.

During the semester, you'll be able change your address at UMC 165 or at the registrar's office in Regent 125 between 9:00 a.m. and 4:00 p.m., Monday - Friday. You can also call (303) 492-6581 to update your address.

### **Validate Your Photo ID**

Your CU-Boulder photo ID will be validated today when you pick up your schedule/bill. If you forgot your ID, you can bring your schedule and your ID to the registrar's office (anytime) or to UMC 165 (beginning September 5). All students should have a validated CU-Boulder photo ID.

## Available through CU Connect

---

### **Listing Your Schedule by Telephone**

Use CU Connect to list your current schedule beginning Thursday, August 31. Call CU Connect, following the same procedures as when you registered, but enter 5# after you have entered your student number and your PIN. The system will then list your current schedule. It is your responsibility to make sure your class schedule is correct.

## Understanding Your Class Schedule

Your class schedule shows the courses for which you are registered. If you have a message instead of a course title, or a course you requested does not appear, it means you are **not** registered for that course.

Your schedule includes a time assignment for dropping and adding courses via terminal. You will need to take your schedule/bill with you at that time.

### Why You May Not Have Gotten a Course

---

#### "Class Restriction" or "Student Ineligible for Course"

Class enrollment may have been limited to students who had earned a certain number of hours by the end of spring semester or by class level. Class restrictions are not likely to change during the schedule adjustment period.

#### "Controlled Enrollment Applicable"

Special permission was required from the department before requesting this class. You may discuss enrollment with the department.

#### "Course Closed"

The course is full. It is possible that openings will occur during the schedule adjustment period. You may want to try to add it during that time.

#### "Major Restriction"

Enrollment was limited to specific majors, colleges, or schools. These restrictions are not likely to change during the schedule adjustment period.

#### "Time Conflict"

A conflict has occurred in your course meeting times. Check your class schedule carefully; the times on some courses may have been changed, creating a conflict.

#### "Course Overload"

There were credit-hour restrictions in effect during course request registration. During drop/add, your total load may increase to 21 hours. Please refer to your college or school policy for semester-long credit load limits.

#### "Course Cancelled"

Either the course or the section you requested was cancelled. Please refer to the department for additional information, or try to add another section.

#### Other Reason

You were denied a course for a reason other than those listed above. (You may have been given another section of the course.)

### If You Do Not Have a Schedule or It Is Blank

---

If your schedule is missing or blank, please go to the information table. Staff can then research your registration activity. Yours may be a simple problem; perhaps your schedule is misfiled, or you are at the wrong pickup site.

### If You Receive a Schedule with the Following Messages

---

"Your course requests were not scheduled because you were ineligible to register for the following reason":

#### Financial, Academic, or Miscellaneous Stops

You must get the stop removed by the appropriate office. First, go to the information table so that staff can determine your eligibility for late registration.

If you have questions about your bill, please stop by the Bursar's Office in Regent Administrative Center, 150 or call 492-5381.

# Schedule Adjustment - Dropping and Adding Courses via Terminal

## When to Drop and Add Classes

---

This semester, you may begin drop/add activity when your time assignment begins. Drop/add terminals will be available 8:30 a.m. to 4:30 p.m. After the first week of schedule adjustment, departments will determine their own hours. On Tuesday, August 29, all drop/add activity will end at 3:00 p.m. so students, staff, and faculty may attend the chancellor's convocation.

Time assignments will be strictly enforced. Do not bother to get in line to drop or add if your time has not arrived; you will be asked to leave and return at the appropriate time. The computer will not allow early transactions.

## How to Drop and Add

---

You must take your schedule/bill and your registration guide (with the completed schedule adjustment form) with you when you drop or add at a terminal. Be sure to have several alternate choices ready. There will be many closed courses.

## Where to Drop and Add

---

You have a variety of drop/add locations to choose from this semester. Arts and Sciences advisers will be available at the Fieldhouse, as well as in department locations. If your drop/add problems are mostly within your own department, college, or school, we recommend that you do your dropping and adding there. If you're an Arts and Sciences major and have a variety of drop/add advising needs, your best location is the Fieldhouse on August 28.

## Schedule Adjustment Form

You must use this form at a terminal and list all adds (with alternate choices), drops, and section changes you are requesting. The drop/add assistants will only enter written requests. If your requests are not written on this form, you will have to drop and add those classes at another time. Course call numbers are not needed at a terminal, but you may want to list them for future use on CU Connect.

# Schedule Adjustment - Dropping and Adding Courses via CU Connect

CU Connect will be available for dropping and adding classes on August 28, 29, and 30 by time assignment only. Look for the CU Connect time assignment on your schedule. Beginning September 1, all students may call CU Connect for drop/add transactions. Since many students will be given group time assignments, you may want to call *sometime during your time assignment period* rather than at its starting time.

## Dropping and Adding via CU Connect

---

Call CU Connect, 938-8110, from any touch-tone phone. The telephone voice will request the information below. Press star (\*) or pound (#) keys as indicated.

- o the action code (7003) #
- o the fall term code (897) #
- o your University student number (for record keeping and identification only) #
- o your personal identification number (PIN) #

To **add** a course, press 2\* before the course call number (course, lab, or recitation). For example: enter 2\* and the course call number, then press the # key. To **drop** a course, press 3\* before the call number (course, lab, recitation) and then press the # key.

If you are unable to add a desired course, please read the section on using a wait list, in case the option is available.

## CU Connect Function Keys

---

- 5# lists your current schedule
- 8# exists you from the system
- \*# cancels an entry (before the final # key is pressed).  
You may then reenter your request.

## CU Connect Hours

---

### August 28-September 1

7:00 a.m. - 6:00 p.m. and 7:00 p.m. - midnight

### September 3-14

7:00 a.m. - 6:00 p.m. and 7:00 p.m. - 9:00 p.m.,  
Monday through Friday

11:00 a.m. - 9:00 p.m., Sundays  
(also Labor Day, September 4)

### September 15

7:00 a.m. - 4:00 p.m.

The deadline for dropping and adding courses for fall semester is **4:00 p.m., September 15**. Please make your changes well in advance of this date to avoid the deadline rush.

### Where to Call for Help

If you need help dropping and adding classes via CU Connect, please call our special help line, 492-1033 (available 8:30 a.m. - noon and 1:00 p.m. - 4:00 p.m., Monday - Friday). Someone in our office will give you personal assistance.

### Protecting Your Privacy

Please remember that your PIN (personal identification number) should be kept confidential. Your PIN and student number are keys to your student file, and only you and authorized University offices should have access. If you have not kept your PIN confidential, we would be happy to assign you another one. You can request a different PIN by stopping by the registrar's office in Regent 125.

## Adjusting Your Schedule

### Changing Sections and Pass/Fail, No Credit, and Variable Credit Status

---

For any of the following activities regarding a course in which *you are already enrolled*, you should go to a terminal and have a drop/add assistant make the changes:

- changing grading status for an enrolled or wait listed course to pass/fail or vice versa
- changing grading status for an enrolled or wait listed course from credit to no credit or vice versa
- changing credit load in a variable credit class
- making any section changes

This is for your own protection! In order to make any of these changes, a course must be dropped and then immediately added. If you make these changes via telephone, there is the possibility you won't be able to add the course once you have dropped it. To prevent that from happening, please have a drop/add assistant help you at a terminal.

If you feel confident that you will not lose your class by dropping it, drop your course and then do the following:

**Pass/fail** -- select the pass/fail grading option by pressing \*2 between the course call number and the #. Information about pass/fail grading restrictions can be found in the catalog.

**No credit** -- Select a course for no credit by pressing \*1 between the course call number and the #. Information on no credit can be found in the catalog.

### Controlled Enrollment and Independent Study Courses

---

These courses can only be **added** by the department offering the course or by a special action form. If you use a special action form, take the signed form to a central drop/add location.

However, you can **drop** controlled enrollment and independent study courses by telephone or by terminal without a special action form.

If you are taking independent study courses, refer to the catalog and the *Schedule of Courses* so you are familiar with the policy of your college or school.

### Drop/Add Deadlines

---

**Please remember the drop/add deadline is 4:00 p.m., September 15. After September 15, no adds will be permitted and no tuition adjustments will be made for drops.**

After September 15 and through October 10, you must be passing a course to drop it, and a special action form must be signed by your instructor.

After October 10, you may not drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). In addition to the instructor's approval at that point, you must also obtain approval from your dean. If you do not have the appropriate signatures, your special action form will not be processed.

The add deadline of September 15 will be in effect unless enrollment levels are reached before that date. Do not delay in adding or dropping your classes. Courses dropped by September 15 will not be reflected on your University of Colorado transcript. Courses dropped after September 15 will appear on your transcript with a W.

*You may be administratively dropped for nonattendance in certain classes. Departments following this policy are listed in the Schedule of Courses; students are advised of its applicability on course syllabi. In the absence of such a statement, the policy is not enforced.*

## Using Wait Lists

If you are eligible to take a course but find that it has been closed, you may be able to put your name on a wait list. Each department determines if a wait list will be offered for a course and what type will be used (there are two types).

The first type of wait list is based on a first-come, first-served policy. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled. The second type of wait list uses a priority system to determine who gets enrolled in the course as spaces open up. The priority is established by the department, and is usually based on class standing and/or major.

### Getting On a Wait List

---

If a wait list is available for a course that is closed, you can request to be placed on the list either at a drop/add terminal or by using CU Connect. If you wish to be added to a wait list, press 9# when prompted by the telephone voice and listen for the course verification. Wait listed courses are included in the 21 credit-hour-load maximum. In addition, you may not be enrolled in one section of a course and wait listed in another.

### Maintaining Your Schedule

---

If you find that you have been wait listed in a course that you no longer desire, please drop it as soon as possible. You must drop the course by the drop/add deadline of 4:00 p.m., September 15. The procedure is the same, whether you're dropping a course or dropping your name from a waitlist: enter 3\*, then the course call number, then #.

### Verifying Your Enrollment

---

It is your responsibility to verify your enrollment status in courses in which you have been put on a wait list. It's easy to do! You may ask about your wait list status at one of the central drop/add locations. Beginning **August 31**, you can also call CU Connect and use the list function to verify your enrollment.

### Wait List Deadline: September 12

---

You will be able to place your name on a wait list until September 12. If you are still on that wait list as of September 13, and you are still interested in taking the class, please see the department offering the course. **You must be in touch with the department** so they know you are still interested in the course, should an opening occur. All department wait lists will be cancelled after 4:00 p.m. on September 15, the last day to drop and add classes.

#### September 15

Remember to check your enrollment and wait list status through CU Connect regularly before September 15. Drop any classes you no longer want (including wait listed classes) by 4:00 p.m. on that day (dropping courses sooner may open up spaces for your fellow students). If you forget that you are on a wait list and are placed in the class and do not drop it by September 15, there will be financial and scholastic repercussions!

# Tuition and Fee Information

## Understanding Your Tuition and Fee Bill

---

Your tuition and fee bill is based on the number of credit hours for which you are enrolled. This is the only tuition bill you will receive before the September 8 due date. No duplicates have been mailed to any other address. Only later bills will be sent to the address you indicate as your mailing address. **Failure to receive a tuition and fee bill does not relieve you of your obligation to pay on time.**

### Residency Status Change

If you have received notification of a change in your residency status and it is incorrect on your bill, check with the Bursar's Office, Regent 150, for the correct amount of tuition due.

### Double Degree Program

If you are pursuing degrees in two colleges or schools, tuition will be assessed by the college or school with the higher rate.

## Paying Your Bill

---

Your full tuition and fee payment is due by **4:00 p.m., Friday, September 8**. If you drop or add courses and your obligation changes, a second tuition and fee bill will be sent to your mailing address. This second bill (unpaid or not previously billed amounts), will be due by 4:00 p.m., October 13. The first bill is still due September 8. After September 15, courses added may change your tuition but courses dropped will not.

It is important for you to understand the penalties created by failing to meet a published due date. Please refer to page 6 in the *Schedule of Courses*.

**Note:** A tuition surcharge is assessed for every credit hour over 17. Tuition for a no credit course is the same as for a course taken for credit. Tuition for a zero (0) credit-hour course is charged at the rate of a one credit-hour class.

To insure proper recording of your payment, enclose the bill top and your payment (in the form of a personal check, certified check, or cashier's check), making sure your name and student number are on the check. Please make the check payable to the University of Colorado. Do not mail cash; cash payments should be made at the Cashier's Office, Regent 150.

Please use either the U.S. mail (the Denver P.O. Box address on the bill is correct) or drop your payment in

the tuition drop slots in the lobby of Regent Administrative Center. Do not use campus mail. There will be tuition payment drop boxes at the deferred tuition area in the Events/Conference Center between August 28 and September 8. If you are using the U.S. Postal Service, please mail early. The University cannot assume responsibility for late arrival due to U.S.P.S. delays. Payments must be **received**, not postmarked, by the published deadlines. For information, call (303) 492-5381.

### Tuition Payment Option: Deferred Tuition

If you have any doubt at all about being able to pay your full bill by September 8, apply for this option. Payment of one-half of your total tuition and fee bill may be deferred until October 13. To qualify, your total bill at the time of application for deferred tuition must exceed \$100 and you must be able to pay one-half of the bill by September 8. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge.

To defer half your bill, complete an application form at the southwest entrance of the Events/Conference Center before September 8. Hours are 8:30 a.m. to 4:00 p.m. (exception: August 29 hours are 8:30 a.m. to 3:00 p.m.).

## Financial Disenrollment Policy

---

If you fail to meet your entire tuition and fee bill obligations by October 13, 1989, official notification of disenrollment will be mailed by the registrar's office to your mailing address. The letter will inform you of reinstatement procedures. In order to be reinstated, you must pay late and service charges as well as a late registration fee, charged according to the following schedule:

October 18 through November 3	\$20
November 6 and thereafter	\$30

Students who are disenrolled and who fail to reinstate remain liable for full payment of all unpaid charges, including tuition and fees. They will not be eligible to register for spring semester.

## Scholarship and Loan Information

---

### Scholarships and Grants

Your grant or scholarship will be applied automatically to your tuition and fee bill if you are registered and have signed and returned your award offer. Balance checks will be available at the Events/Conference Center. (see below).

### Perkins Loan

If you have officially been awarded and have accepted your Perkins loan, and have signed your promissory note, your Perkins loan will be applied to your first bill.

You must sign your promissory note in order for the loan to be credited to your bill. Promissory notes will be available at the Events/Conference Center (see below). If you are suspended from aid due to violation of the satisfactory progress policy, you will not be eligible for financial aid, including Perkins and Stafford loans. If you have any questions about your Perkins loan, please call (303) 492-8921.

### Stafford Loans

Because the disbursement of Stafford funds depends upon outside lenders and agencies, students who receive these loans are responsible for any late or service charges incurred if their tuition and fee bills are not paid in full by September 8, 1989. Checks that have been received will be available at the southeast concession stand in the Events/Conference Center (see below).

All students borrowing a Stafford or SLS loan for the first time at the institution that they are presently attending are required to attend an entrance interview before their loan check can be released. All students who are taking out a Stafford or SIS loan for the first time at this school must attend. Please contact Financial Aid for further information at 492-5091.

### Distribution of Scholarship, Loan, and Grant Checks

Events/Conference Center

August 28 - September 8

8:30 a.m. to 4:00 p.m.

(On August 29, hours are 8:30 a.m. - 3:00 p.m.)

After September 11, students may pick up their checks at the Bursar's Office. Perkins promissory notes may be signed up at the Student Loan Department in Regent 150. Balance checks will not be automatically mailed.

### If You Are a Veteran

If you are enrolled for VA educational benefits for fall semester 1989, please verify your class schedule and address with the Veterans Affairs Office to assure continuance of monthly checks. You can do so on August 28 and 29 in UMC 165.

## Understanding Student Health Insurance

---

All students taking 6 or more credits will be billed automatically for hospital-medical-surgical health insurance as a condition of enrollment.

If you have equivalent coverage or can indicate adequate personal financial resources, you may waive this insurance during schedule/bill distribution on August 28 (at Balch Fieldhouse only) or until September 15 at Wardenburg Student Health Service. If you submit a waiver in the fall, it will extend through spring 1990.

Please refer to page 5 of the *Schedule of Courses* for more information.

## Buying a Parking Permit

---

Parking permits will be sold at the Events/Conference Center (at the Law School for Law students) on Monday, August 28, from 8:00 a.m. to 3:00 p.m., and on Tuesday, August 29, from 8:00 a.m. to 2:00 p.m. You must present your class schedule or meal sticker, a photo ID, and your original vehicle registration. The charge will be added to your bill. You may not purchase a permit for another student.

After August 29, parking permits will be sold at the Parking Management Office, Armory Building, 1511 University Avenue, from 8:00 a.m. to 4:00 p.m. Parking permit cancellations will be accepted beginning September 5 and exchanges can be made beginning September 12.

## **You May Want to Know About...**

---

### **If You Have to Withdraw**

If you decide that you will not attend the University this fall, you must follow withdrawal procedures at the registrar's office, Regent 125. You should be aware of the individual withdrawal policies of your college or school, as well. Failure to withdraw makes you liable for full tuition and fees.

### **Refund Schedule**

Please refer to page 11 of the *Schedule of Courses* for information regarding withdrawal procedures and the refund schedule. If you selected fees on the special services form, it is your responsibility to inquire with those departments about possible refunds. Refunds are not produced automatically.

### **Double Degree Programs--Improvements in SIS**

Students who are working in double degree programs (for example, obtaining one degree from Arts and Sciences and one from Business) should verify that both programs are entered on the student information system. Check with your dean's office: we wouldn't want you to be closed out of required classes during fall registration. If you have questions concerning your double degree program, check with either of your deans.

### **Looking Ahead**

---

Spring 1990 registration begins in mid-November. Your registration materials will be *distributed on campus* the week of October 30.

Look for details in the campus newspapers and flyers in October.
