Art Contest Winner

Ian McCarty

For as long as I can remember art has been a part of my life, whether I recognized it or not. Only just recently I realized my art could be more than just a personal outlet. The first time I prompted a serious emotional or intellectual reaction from someone I didn't know was an epiphany, of sorts. Since then, I have devoted a huge part of my life to creating art and reactions in others, making people see what I see, feel what I feel, or just feel *something* that makes them think about the world around them.

This photo was taken in the rainforest on Maui, Hawaii. It wasn't anywhere near a typical vista, white-sand beach, postcard landscape, or tourist haven. It wasn't anything like what one might usually see. I'm sure dozens of people had passed by it without giving it any thought. It is leafless and gnarled, cut and old. In spite of this, and really because of this, it is exceptionally beautiful in its individuality, uniqueness, its flaws, its reality. It deserves to be marveled at as much as those perfect vistas and warm, soft beaches.

Too often we are too busy to really look around us and see the beauty that abounds in our everyday lives. My artwork tries to challenge this bad habit, to show people how much they may be missing, in hopes that even a handful of people can learn to really and truly see.

The **Registration Handbook Art Contest** is limited to currently enrolled Boulder campus students who have created artwork during their academic career at CU. Winning pieces appear on the cover of either spring or fall semester handbooks and are displayed in the lobby of the Registrar's office.

We would like to thank Art Hardware for sponsoring the Registration Handbook Art Contest at the University of Colorado.

Six Easy Steps to Registration

This *Registration Handbook and Schedule of Courses* contains information you need to register for the spring 2002 semester, adjust your schedule, and pay your bill. If policies or procedures change, you will receive further information.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time of its printing (October 5, 2001), all information is subject to change.

The University of Colorado at Boulder has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The university does not discriminate in its educational and employment programs and activities on the basis of race, color, national origin, sex, sexual orientation, age, disability, creed, religion, or veteran status.

Registration

You can access web registration or call CU Connect (our telephone registration system) to check your registration eligibility, register for courses, drop and add courses, and sign up for course wait lists. When you register, you receive immediate confirmation or denial of your enrollment in courses.

Registration Deadline - All students must complete registration by **6:00 p.m. on January 10** to be guaranteed enrollment for spring semester 2002. Students who do not register by this date (including graduate students) are subject to late registration and a **\$50 late fee**.

NOTE: If you require accommodations because of a disability, notify the Office of the Registrar, 20 UCB, Boulder, CO 80309-0020, or call 303-492-4822 and press 1 to speak with a registration assistant. If you are deaf or hard of hearing, call 303-492-5841 (TTY).

1 Review Your Registration Eligibility

Currently enrolled students:

You can access your spring semester 2002 registration eligibility (including your registration time assignment) in the following ways:

- **View your registration eligibility status via web registration.** You may view your registration time assignment and whether you have any stops that need to be cleared by checking your registration status via web registration. To access this information, go to PLUS on the Web at www.colorado.edu/plus and select the "Registration" button and then log on to web registration by entering your student ID number and your PIN (Personal Identification Number). Select the "Registration Status" tab at the bottom of the screen to view your eligibility to register for spring semester 2002 (including any stops currently on your record) as well as your registration time assignment.

NOTE: Your registration time assignment will not show on the web registration status screen once your time assignment has passed. It only displays if it has not yet arrived and thus makes you ineligible to register.

- **Come to the registrar's office** for a copy of your invitation to register if you don't have access to the web.

All new and readmitted students:

- You'll receive a personalized invitation to register in the mail (mailed to your mailing address) or at orientation (if required).

Your invitation to register includes your PIN (Personal Identification Number). Your PIN, in combination with your student number, allows you to access web registration, CU Connect (our telephone registration system), the Personal Look-Up Services (PLUS) on the Web, and the financial aid telephone system. Certain data specific to you are available on these systems, and your PIN controls access to this information. Your PIN is a randomly set number and must be kept confidential. **Be sure to memorize your PIN, as it remains the same throughout your career at CU-Boulder.**

Note to All Students:

If you feel that your PIN is not secure and you wish to change it, you can change it via PLUS or come in to the registrar's office in Regent 105.

Or if you forget your PIN, you can call the registrar's office at 303-492-6970 or come in to the office in Regent 105.

Your registration eligibility via web registration (or your invitation to register) includes:

- **Your registration time assignment** - This is the date and time you can register for courses. You can register any time after your time assignment begins through the registration deadline (see the registration/academic calendar on pages 2-3 for specific dates). It is to your advantage to register as soon as possible after your registration time assignment begins. You can also call CU Connect at 303-938-8110 (enter **021 for the spring semester 2002 term code** when prompted) or check your registration status on the Web to find out your registration time assignment. **NOTE: Your registration time assignment will not show on the web registration status screen once your time assignment has passed.** It only displays if it has not yet arrived and thus makes you ineligible to register.

Spring semester registration time assignments for undergraduate continuing students are based on the total number of predicted hours completed at the end of fall semester 2001. This includes the total number of hours completed at CU (any campus), plus transfer credit and any courses you are currently enrolled in (as of September 28).

Graduating seniors receive the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and then second-semester freshmen. Within these groups, time assignments are random but those with more hours register first.

Freshmen	0-29 hours
Sophomores	30-59 hours
Juniors	60-89 hours
Seniors	90-123 hours
5th Year Seniors.....	124 hours and above

- **Advising notice** - If required by your college or school, consult with an advisor before registering. See page 34 for more information.

- **Other stops** - Stops are holds that the university puts on student records for various reasons. Stops may originate from delinquent financial obligations, academic concerns, or even disciplinary matters. If you have any stops on your record, you are not allowed to register until you have cleared them all. Be sure to clear all stops at least 24 hours before your registration time assignment.

2 Plan Your Schedule

Use the schedule planning worksheet on page 11 to fill out a preliminary schedule for spring 2002. Then, fill out the registration form on page 17 before registering. It is a good idea to include alternate course choices on your registration form in case courses you request are full. Refer to page 14 under "searching for courses" for information about the schedule planner tool on the Web and course availability.

3 Decide on Student Opportunities

In addition to the mandatory fees you must pay along with your tuition, there is a group of student opportunities available to you for which optional fees are charged. The opportunities consist of various services provided by the university, tickets for concerts, plays, and the like, and club and student groups in which you can participate or merely provide money for their use.

When you first access registration (either via CU Connect or the Web), you will be given a brief description of the student opportunities fees available to you and be prompted to choose (or not) each opportunity. After you've made your choices, you'll be prompted to confirm them. With this step completed, you can register for classes.

The student opportunities you have chosen will appear on your tuition and fee bill. *If you want to change any of the student opportunities originally chosen, you cannot do so via CU Connect or the Web.* Instead, you must call the appropriate office at the phone number listed below.

Refunds will be given up to the first tuition payment deadline (January 23).

DESCRIPTIONS OF STUDENT OPPORTUNITIES FEES

Following are descriptions of all the opportunities available to you, including the fee for each opportunity.

Club Sports \$4.75

Club sports, which are partially funded by student fees, often require participants to pay out-of-pocket expenses that may limit their involvement in the sport. This fee helps support club sports; so there are fewer out-of-pocket expenses for the participants, and it also offsets some of the overhead costs of the sports. There are currently over 30 club sports programs, with athletes competing in local, intercollegiate, regional, and sometimes national competitions. Coed sports funded include: bicycle racing, diving, equestrian, fencing, field hockey, figure skating, fly fishing, kayaking, racquetball, rodeo, running, snowboarding, speed skating, squash, swimming, tae kwon do, triathlon, and water polo. Men's sports are: baseball, ice hockey, lacrosse, roller hockey, rugby, soccer, ultimate frisbee, volleyball and wrestling. Women's sports are: dance, ice hockey, lacrosse, rugby, soccer, softball, ultimate frisbee, and volleyball. 303-492-5274.

Concert cards give you the flexibility to decide what concerts to attend and where you would like to sit. All you have to do is present your card at the box office when choosing tickets. *Concert cards will not be mailed to you.* Bring your student ID and proof of payment to Imig Music C103 to pick up your College of Music Concert Card. 303-492-8008.

Gay, Lesbian, Bisexual, and Transgender

Fees will fund the center's programming, and contributors will have the option to receive *CU Out & About: A Publication of the Lesbian, Bisexual, Gay and Transgender Community at the University of Colorado at Boulder* and supplemental events calendars. For more information stop by Willard 227 or call 303-492-1377.

Student Groups \$4.95

④ Register for Courses

You can register using the following methods (or a combination of the following methods):

Telephone Registration - Call CU Connect, 303-938-8110, from any touch-tone phone to register. Follow the instructions on the registration form on page 17 and use the function codes listed on page 16. You may call any time after your time assignment begins. **After registering via CU Connect, list your classes by pressing 5# to verify your schedule.**

Registration via the Web - First complete the registration form on page 17. Then go to PLUS at www.colorado.edu/plus and select the "Registration" button. Follow the instructions shown on the web registration pages. **When you're done registering, be sure to verify your schedule by going to the schedule page in web registration.**

CU Connect and web registration are normally available Monday through Friday, 7:00 a.m. to midnight, and on Sundays from 11:00 a.m. to midnight. They are NOT available on Saturdays. (See page 16 for exceptions.)

Need registration assistance? If you have problems or questions concerning telephone or web registration, call the registrar's office at 303-492-6970 and press "1" to speak with a registration assistant. Call between 8:00 a.m. and 4:30 p.m., Monday through Friday, except on university

holidays. Recorded registration information is also available at this number 24 hours a day (press "2" to hear recorded registration information).

Once you have registered, make adjustments to your schedule either via CU Connect or the Web through the **registration deadline, 6:00 p.m. on January 10.** After this date, see page 18 for instructions on making final schedule adjustments during the drop/add period.

LINKED COURSES

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because *the call numbers for linked lectures are not listed.* Only the call numbers for the linked recitation or lab are listed. (For courses that have a required lecture, recitation, *and* a lab, the call numbers *are not listed* for the lecture and recitation; they are *only* listed for the lab.)

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically "links" all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all linked sections of the course.

CONTROLLED ENROLLMENT AND INDEPENDENT STUDY COURSES

Controlled enrollment sections of a course and independent study courses are ones that have specific restrictions placed by the department that offers the course. They have a section number between 700 and 999. The call numbers

are not published for these sections. To find out if you qualify for a controlled enrollment section or an independent study course, contact the department that offers the course. If you are eligible, the department will either enroll you in the course or give you the call number so you can register for the course via the Web or via CU Connect.

SEARCHING FOR COURSES

You may need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered *after* the *Registration Handbook and Schedule of Courses* has been published (when this happens, the department cancels the original section and adds a new section that reflects the time change), or
- The section you request is full.

You can search for available sections in the following ways:

- The **schedule planner** is a tool to find out about course availability as well as additional course information. Using this feature, you can also search for courses by subject, core requirements, by meeting time, and the option to search for only open courses. When a course is displayed, you can access the course description, required books, final exams time, and student ratings of the course. In addition, you can map out your schedule to show when you have courses and other scheduled commitments, such as work. *The schedule planner is updated nightly during registration periods, so it is a good planning source, but does not display up-to-the-minute course availability.* You can access the schedule planner feature via PLUS at www.colorado.edu/plus.
- You can conduct on-line course searches via web registration. The **web registration course search** tool allows you to search by subject, level, course number, core requirements, and by meeting time. **You can also choose to limit your search to only open courses and sections. The course search feature is updated on a real-time basis, so if you find a course you would like to sign up for, you immediately know whether there is still room in the course.** Also, if you try to **register for a course via web registration but you're denied the course** (due to the section being closed or cancelled), you can conduct a **section search** to see if there are any available sections of that same course that fit in with your schedule. When you're denied a course, click on the word "search" next to the course and then click on the "submit" button. If there are any available sections of the course that fit your schedule, you'll be given the option to add the course (just click on the "add" button for the section you want.) You can access web registration via PLUS at www.colorado.edu/plus.
- If you request a course section that is full **via CU Connect**, the computer voice asks you if you want to conduct a **search for other open sections of that course.** If you do, press **7#** when prompted. CU Connect will search for other sections of the course that are available and that will fit your schedule. If another section is available, you can register for that section.
- **A printed list of available courses** can also be referenced in Regent 105.

WAIT LISTS

Throughout the registration and drop/add periods, if you are eligible to take a course but find it is full, you may be able to put your name on a computerized wait list. Each department determines if a wait list will be offered for a course and what type of wait list will be used. There are two types of wait lists:

- *Automatic wait lists* are set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.
- *Resequenced wait lists* use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect and web registration inform you if a class you have requested has a wait list and gives you the option of adding your name to the list. On CU Connect, press **9#** when prompted and listen for verification. On the Web, select the wait list option and then select "submit" and wait for verification. **NOTE:** CU Connect and web registration do **not** tell you what type of wait list is used for the course.

When you place your name on a wait list, the number of students already on the list is announced. As wait-list positions constantly change during the registration and drop/add periods, it's a good idea to check your schedule frequently to find out your position on the wait list. To find out your wait-list position, you can:

- Call CU Connect and list your schedule by pressing **5#** (see the instructions on page 16). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) will be announced when you list your schedule via CU Connect. Wait-list positions are normally updated nightly on CU Connect.
- Or you can check your wait-list position via web registration. Log on to web registration via PLUS and then click on the "schedule" tab at the bottom of the page. You'll be able to see your wait-list position for a course under "status" on the schedule page. Wait-list positions via web registration are updated in real time.

Placing your name on a wait list does not guarantee that you will be enrolled in that course, even if you're first on the wait list.

When a space opens up for you in a course, you are automatically enrolled in the class from the wait list. An e-mail message notifying you of your enrollment from the wait list is then generated, but if you don't receive the e-mail you're still responsible for knowing if you get enrolled from a wait list.

If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, *drop the course as soon as possible.*

NOTE: Wait-listed hours are included in your credit load limit (see page 36). You cannot be enrolled and wait listed for courses offered at the same time, and you cannot be wait listed for two courses offered at the same time.

It is your responsibility to find out if you have been enrolled in a course from the wait list. If you do not attend a course you have been enrolled in, you will receive an F for that course.

DEADLINES FOR WAIT LISTS

You may place your name on course wait lists through 5:00 p.m. on Wednesday, **January 23**. At midnight on January 23, one final roll of the wait lists will occur to automatically enroll students from wait lists into any existing course openings. After this final wait list roll, all wait lists will be frozen. *This means that there is no automatic enrollment from wait lists beginning on January 24.*

If you are still on a wait list as of January 24 and are still interested in taking that course and have been attending regularly, check with the department offering the course. You must let the department know you are still interested in the course, **should an opening occur**. In that event, the department will give you a signed special action form to add the course. (**NOTE:** After January 23, you need the signature of the instructor on a special action form to add a course.) All department wait lists are canceled at 5:00 p.m. on Friday, February 1, the deadline to add a course without petitioning your dean.

NOTE: If you're on the wait list as of 5:00 p.m. on January 23, and you don't get enrolled in the course (undergraduate courses only), you'll be eligible to reserve the course the next time it is offered through the Course Reservation Program. (See page 38.)

5 Receive Your Schedule/Bill

If you register by **January 4**, your schedule/bill will be mailed to your billing address in December or early January. If no billing address is on record, then your permanent address will be used for this mailing. If you register **January 6-10**, your schedule/bill will be mailed to your mailing address on January 11. Once your drop/add time assignment begins, you may make final adjustments to your schedule through the add and drop deadlines (see page 19 for deadlines).

Time assignments during the final drop/add period are based on the last two digits of your student number. **You are not able to drop or add courses through CU Connect, at a central drop/add site, or via web registration until your drop/add time assignment begins.** Time assignments are changed each semester to ensure fairness.

Complete the drop/add form on page 21 of this handbook, filling out call numbers, department abbreviations, course numbers, and section numbers of courses that you want to drop and/or add to your schedule. Because there may be many closed courses, have several alternate courses selected. See page 14 for information about course-available lists on the Web.

You may drop and add courses via CU Connect at 303-938-8110, or via web registration (www.colorado.edu/plus) any time *after* your drop/add time assignment begins. To adjust your schedule by phone or the Web, follow the registration instructions on page 17. Computer lab locations are listed on page 35.

If you have questions or concerns about your schedule, you should see your academic advisor or dean's office. If you have questions about a course in particular (regarding restrictions, prerequisites, wait lists, etc.), you should see the appropriate academic department. See pages 22-23 for a listing of academic department locations and phone numbers.

Spring 2002 Course Fees

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, materials, and instructional and related support that are required to teach courses in certain departments. **NOTE:** 2001-2002 course fees are listed by each department in the course listings beginning on page 46. A list is also available at the Bursar's Office, and on the Web at www-bursar.colorado.edu.

Enrollment Deposit

Your \$200 enrollment deposit is held for you by the university until you:

- drop *all* classes in a semester within established dates and guidelines (see page 40), or
- officially withdraw within established dates and guidelines (see page 40), or
- graduate.

At that time, the deposit is credited toward any outstanding financial obligations you may have, and a refund check is mailed to you or directly deposited into your bank account within approximately eight weeks. Update your permanent address at the Office of the Registrar or the Bursar's Office before you graduate or withdraw to be sure you receive your refund. Interest earned from enrollment deposits is used for student financial aid.

If you enroll at the university the semester following your graduation, your enrollment deposit remains on your account. It is then refunded to you, in accordance with established university policy, when you are no longer enrolled.

Residency

Students classified as out-of-state residents who are seeking in-state tuition classification for fall 2001 should turn in residency petitions by **5:00 p.m., December 28, 2001**, to the Tuition Classification Office in Regent 105, 68 UCB, Boulder, CO 80309-0068.

Petitions are accepted through January 18, 2002, but students who submit petitions after December 28 may not receive a decision by the tuition-payment deadline. Adjustments and reimbursements are made if a student's application is approved.

Students submitting a completed petition by November 1, 2001, receive a decision by the enrollment deposit refund deadline of January 4, 2002. Financial aid recipients seeking in-state classification should submit their petitions by November 1, 2001, to make sure their financial aid award is processed in time for spring semester.

Complete information regarding the requirements for in-state residency status is available on the web at registrar.colorado.edu/support/residency.htm, at the Tuition Classification Office, Regent 105, by calling 303-492-6868, or by e-mail: tuitclass@registrar.colorado.edu.

For information call Wardenburg Health Center at 303-492-5101 or visit the web site at www.colorado.edu/healthcenter.

State/CU-Boulder Requirements for Immunizations

- **New International Student - Tuberculosis (TB) Testing**
The university requires incoming (new) international students from countries where the incidence of TB is high to be tested for TB. Wardenburg Health Center provides TB testing at minimal cost. If your test results are positive and treatment is needed, free care is available through the Colorado Department of Health. If you fail to be tested, a stop will be placed on your registration for the following semester. For more information call 303-492-2005.
- **Measles, Mumps & Rubella Immunization Requirements**
All degree-seeking students born in or after January 1, 1957, must provide immunization documentation for two rubeola (measles), two rubella (German measles), and two mumps immunizations. A signed/stamped copy of your immunizations may be obtained from your physician, high school, previous university records or military records. Immunizations

are available at cost through Wardenburg on a walk-in basis. Medical, religious, and personal exemptions are allowed by law. Failure to take care of this the first semester will result in a stop being placed on your registration the following semester. Your immunization record may be faxed to 303-492-1014, mailed or delivered in person to the Immunization Office, located in Wardenburg Health Center. For more information see www.colorado.EDU/healthcenter/immunization.html or call 303-492-2005 or 303-492-8217.

Paying Your Bill

Any student who completes registration agrees to pay the University of Colorado at Boulder according to the payment terms documented under this section.

Payment Methods and Locations

- **NEW - Electronic Check**
- **Cash** - All payments made by cash must be received at the cashier windows in the lobby of Regent.
- **Check (personal, certified, cashier's, traveler's, credit card checks, or money orders) made payable to the University of Colorado** - If you pay by check, make sure your name and student number are on the check. Mail the check and the top portion of your bill to the Denver post office box noted on the bill. *Do not use campus mail.*

If you write a bad check (regardless of the amount) to the university, you may be subject to late charges and service charges, and a stop will be placed on your record. A \$17 returned-check charge is assessed, in addition to the amount due to the university. You may also be liable for collection costs and prosecution under the Colorado Criminal Statutes.

Credit cards are not accepted.

• Wire your payment to:

Wells Fargo Bank Colorado, N.A.

ABA #: 102000076

Account #: 182-3472752

Be sure to include student's name and I.D. number.

• Overnight express payment to:

University of Colorado

150 Regent Drive

Regent Hall - Cashier's Room 150

Boulder, CO 80309-0041

- **Tuition Drop Boxes** - Drop your payment in one of the drop boxes located outside at the north and south entrances of Regent.

The payment deadline is 6:00 p.m. on Wednesday, January 23, 2002. Postmark dates are not honored.

Do not include scholarship checks with your payment to the Bursar's Office. Instead, forward the scholarship check to the Office of Financial Aid, 77 UCB, Boulder, CO 80309-0077. If your scholarship check is not received in the financial aid scholarship office by the bill payment deadline, you are advised to make other arrangements to pay your bill to avoid late and service charges. The scholarship will be credited when it arrives and, in many cases, will generate a refund for you at the Bursar's Office.

If no specific instructions are provided by the donor, the financial aid office automatically divides private scholarships of \$500 or more equally between the fall and spring semesters. Private scholarships of less than \$500 will be

applied in full to the current semester.

Scholarship checks should be made payable to the **University of Colorado** and sent to CU-Boulder, Scholarships, 77 UCB, Boulder, CO 80309-0077.

Original charges (less any adjustments) are always due on the first bill due date of the semester. A second bill reflecting new charges (parking permit, classes added, etc.) will be mailed on February 4 and due on February 27. Call 303-492-5381 for your balance or check PLUS at www.colorado.edu/plus.

It is recommended that checks be written on a U.S. bank and in U.S. funds in order to avoid processing delays of up to three weeks and possible bank fees. If the delay extends beyond the tuition due date, late and service charges will be assessed.

NOTE: All checks containing restrictive endorsements are null and void and nonbinding on the university.

If you must send payments via express mail, send them to the Bursar's Office, Regent, Room 150, Boulder, CO 80309-0041.

If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time. Call the Bursar's Office at 303-492-5381 or toll-free at 1-877-278-6340 for your current balance, or access your current bill information on PLUS at www.colorado.edu/plus, both available December 10. A late payment charge (\$5 - \$50) and a 1% service charge per month is assessed for late payment. A financial stop is applied to the student record that will prevent registering for future terms, participating in class schedule adjustments (drop/add), receiving an academic transcript, and receiving a diploma. In addition, future term registrations may be cancelled.

The Bursar's Office hours from January 11 to January 25 are Monday through Friday, 8:30 a.m. to 5:00 p.m. (Tuesday, January 22, and Wednesday, January 23, until 6:00 p.m.).

The Bursar's Office offers personal assistance to Spanish-speaking students and students with disabilities. If you need assistance, contact the Bursar's Office.

Deferred Tuition - Two Payment Plan

By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you are allowed to pay one-half of the amount due on **January 23**. The minimum balance due, indicated on the reverse side of your bill, is automatically reduced by any credits (financial aid, insurance, RA/TA tuition waivers, and scholarships) applied after your bill is produced.

If the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the student billing window and lobby in Regent from January 11 through January 23.

On **February 27**, you must pay the balance of your bill and a one-percent finance charge and any new charges added to your bill. A second bill reflecting this balance is mailed on February 4. Make sure your billing address is current.

Failure to Pay in Full by the Deadline

A **financial stop** will be placed on your record if you fail to pay your full tuition and fee bill by the published deadline. This stop will prevent you from:

- registering for future terms
- participating in drop/add
- receiving an academic transcript
- receiving a diploma

In addition, if you are registered for a future term and a financial stop is added to your record, you are in risk of losing those classes.

If your payment is late, you will be charged a late payment charge and a service charge. The service charge is 1% per month on the unpaid balance. The late charge is charged according to the following schedule:

Balance Due	Late Payment Charge
\$99.99 or less	\$ 5
100-299.99	\$10
300-499.99	\$20
500-699.99	\$30
700-899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management (SDM) department for collection after the end of the semester. Past due service charges of 1% continue to accrue monthly as long as the debt is unpaid, and additional collection charges may be assessed.

Colorado law requires the university to place all delinquent accounts with the state's Central Collection Services (CCS) office. The SDM department will place all delinquent accounts with CCS after one year, unless there exists a satisfactory repayment agreement including a signed contract with the Student Debt Management department in the Bursar's Office. CCS reports all past due accounts to national credit bureaus. Financial stops remain on your record until the balance is paid in full. Establishing a repayment agreement does not result in removal of stops. If your account is referred to CCS, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

Getting Your Refund

If your tuition account reflects a credit balance, you are entitled to a refund. Sign up for direct deposit to avoid postal delays, incorrect addresses, and standing in line. Forms are available on the website at www.bursar.colorado.edu.

- **Direct Deposit** - If you are currently enrolled for direct deposit or sign up by December 19, and have a credit balance on your tuition account as of January 8, your spring 2002 refund will be deposited into your bank account on January 11. Throughout the semester, whenever your tuition account reflects a credit balance, your refund will be deposited to your bank account 24-48 hours after a credit balance appears on your tuition and fee account.

To sign up for this service, visit our website at www.bursar.colorado.edu to print the direct deposit form from the web or stop by the Bursar's Office and fill out an application form.

- **Refund Checks** - If you do not sign up for direct deposit, and your tuition account reflects a credit balance as of January 7, a refund check will be mailed to your local mailing address on January 10. This refund **cannot** be picked up.

If your tuition account reflects a credit balance after January 7, a refund check will be available at the cashier's window in Regent beginning January 11. You must have your photo ID with you. Checks not picked up will be mailed to your local mailing address on a monthly basis throughout the semester.

Financial Aid

If you have not yet applied for financial aid you may still apply by completing the 2001-2002 *Free Application for Federal Student Aid (FAFSA)*. Students are encouraged to apply by April 1, 2002 in order to complete the process before the last day of the spring 2002 term. Due to funding limitations, some forms of assistance may not be available to late applicants.

Applications are available from the Office of Financial Aid, Regent 175, or on the Web at www.fafsa.ed.gov. For more detailed information, visit the financial aid office, the web www.colorado.edu/finaid, or call 303-492-5091.

Financial aid includes grants, scholarships, work-study and loans, and is usually awarded based on financial need. Grants and university scholarships are automatically applied to your bill. Student and parent loans are credited to your bill after you submit signed promissory notes. Before a promissory note for a parent loan can be signed, a credit check must be completed for the parent

Less Than Full-Time Enrollment

Students have until Friday, February 1 (the last day to add classes without petitioning their dean) to finalize their spring semester class schedules. Students who are not enrolled full time by February 1 may have their financial aid reduced to reflect their actual enrollment status.

The week of February 4, revised award letters will be mailed to students whose aid has been adjusted because they are not enrolled full time.

Students who have specific questions about how less-than-full-time enrollment affects their financial aid should contact the Office of Financial Aid.

Short-Term Loans

Short-term loans up to \$500 are available to students during periods of enrollment and between fall and spring semesters. You must be at least eighteen years of age and enrolled at least half-time on the Boulder campus to qualify (ACCESS and Continuing Education students are not eligible), and you must present your photo ID. All loans must be backed by financial aid or have a co-signer. Apply for short term loans in the Office of Financial Aid, or in the University Student Loan Office.

Veterans' Benefits

If you are entitled to veterans' benefits, write Veterans' Services, Office of Financial Aid, 77 UCB, Boulder, CO 80309-0077, or call 303-492-7322 for further information.

Withdrawing and Financial Aid

The *Withdrawal Policy Regarding Tuition and Fees* states that students who pay their \$200 enrollment deposit and register for classes for any given semester are obligated to pay full tuition and fees for that semester unless they **officially withdraw** from the university. If you begin classes at CU-Boulder, receive financial aid, and then withdraw, your financial aid will be adjusted according to the following federal regulations. (See page 40 for withdrawal procedures.)

RETURN OF UNEARNED TITLE IV AID

(34 CFR 668.22)

The federal rules state that you earn your aid based on the period of time you remain enrolled.

Enrolled days divided by days in the enrollment period equals the percentage of aid earned.

The Office of Financial Aid will calculate the percentage of aid earned using this formula. If you remain enrolled beyond the 60% point you earn all aid for the period. Aid earned is credited to your tuition and fee bill.

REPAYMENT OF UNEARNED AID

(34 CFR 668.22 g,h,i)

The responsibility to repay unearned aid is shared by the institution and you in proportion to the aid each is assumed to possess.

The institution's share is the lesser of:

- The total amount of unearned aid, or
- The institutional charges multiplied by the percentage of aid that was unearned.

Your share is the difference between the total unearned amount and the institution's share. The institution's share is allocated among the Title IV programs, in an order specified by statute, before your share. After your share is fully allocated among the Title IV programs, any amount owed to a grant program is reduced by half. The same refund and repayment policy applies to state and institutional grants. Refund and repayment of institutional scholarships, athletic scholarships, private scholarships, and third party scholarships is determined by the donor.

Funds are returned in the following order:

TITLE IV

Federal Stafford Loan (unsubsidized)
Federal Stafford Loan (subsidized)
Federal Perkins Loan
Federal PLUS (Parent) Loan
Federal Pell Grant
FSEOG
SSIG/LEAP
Other Federal Aid

INSTITUTIONAL AND STATE AID

Institutional Aid
Colorado Student Grant
Colorado Graduate Grant
Colorado Undergraduate Grant
Colorado Outreach Grant
Colorado Athletic Grant (CCHE)

OTHER AID

Institutional scholarships
Athletic scholarships
Private scholarships
Third party scholarships

This policy applies to students with financial aid who officially withdraw. It may also apply to those who stop attending classes without formally withdrawing. Students who do not formally withdraw are required to document their last day of attendance.

Examples of refund calculations are available upon request. Visit with a financial aid counselor for more information regarding your specific situation.

Appeals

In the case of a prolonged illness, accident, death in the family, or other circumstances that make it impractical to complete the semester, you may submit an appeal through the Bursar's Office. The Bursar's Office reviews the information provided and determines a settlement that is reasonable and fair to both you and the university.

Balances Due

If unearned aid results in a balance due, a revised tuition and fee bill will be mailed to you by the Bursar's Office. It is your responsibility to repay those funds. To ensure that you receive information in a timely manner, make sure that your address and phone information is up to date.

General Information

Many of the questions you may have about registration procedures related to registration are answered in this section.

Addresses

The following addresses on your student record must be kept current:

- **Billing address** (your address for tuition and fee bill mailings). The address you want all of your tuition and fee bills mailed to throughout the year, including the first schedule/bill mailing prior to the start of each semester. (**Exception:** Schedule/bills for new students who register at orientation in August or January will be mailed to your mailing address at the beginning of the semester.)

If no billing address is given, your first schedule/bill of each fall or spring semester will be mailed to your permanent address and all subsequent bills to your mailing address. If you're enrolled in summer and no billing address is given, then all summer schedule/bills will be mailed to your mailing address.

- **Mailing address** (your address during the fall and spring semesters and during the summer months if you're enrolled in summer classes). Registration information for future semesters, outstanding tuition and fee bills (if you don't have a billing address on record), refund checks, and financial aid information are mailed to you at this address from late August through mid-May (and throughout the summer if you're enrolled in summer classes). **Exception:** Your permanent address is used during the winter semester break. **Note:** An accurate local mailing address is also important in case the university needs to reach you due to a family or personal emergency, so be sure to give the university a local mailing address.

- **Permanent address** (considered your "home-base" address). It can be your parents' address, a Boulder address, or the address of someone who knows how to reach you. Schedule/bills are mailed to this address before the semester begins (unless you specify a billing address). This address is also used for mailings during the summer months and during the winter semester break. **Exception:** If you're enrolled in summer classes, your mailing address is used during the summer months.

You can look up any of your addresses on the Personal Look-Up Services (PLUS) at www.colorado.edu/plus (see pages 37-38) and, if needed, update your addresses via PLUS. Or you can fill out a change-of-address form at the Office of the Registrar in Regent 105, in the Office of Financial Aid in Regent 175, or by calling 303-492-6970.

Other offices, such as the library, housing, payroll, and Wardenburg, have separate address systems and changes must be made there as well.

NOTE:

- The address that appears on your student record (and PLUS) also appears on the directory on CU-Boulder's home page on the Web. When you make a change to any of your addresses, the change is normally updated on your student record within 24 hours. **Exception:** If you update your address via PLUS, your addresses are updated immediately (real time). Addresses on the web directory are updated weekly.

- **If you are employed by the university**, the phone number and address for the department/office that employs you appears on CU-Boulder's web directory *instead of your personal phone number and address.*

- **If you do not want your address to be part of directory information**, you may request that "limited privacy" be put on your record. See pages 35-36 for more information about "limited privacy" as well as other privacy options under "Confidentiality of Student Records."

Advising

Check your invitation to register for advising requirements. If advising is required or if you wish to speak with an advisor:

Please remember that advisor's schedules fill very quickly during registration. Make your appointment immediately. If you are planning to change your major, you should do so well in advance of the beginning of the registration period for the following term.

- **Engineering students** - Call your faculty advisor, your major department, or your dean's office for advising.
- **Students in any other college or school** - Call your dean's office.

- **Engineering students** - Call your faculty advisor, your major department, or your dean's office for advising.

Confidentiality of Student Records

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

(1) The right to inspect and review your education records within 45 days of the day the university receives a request for access.

You should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The university official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise you of the correct

official to whom the request should be addressed.

(2) The right to request the amendment of your education records that you believe are inaccurate or misleading.

You may ask the university to amend a record that you believe is inaccurate or misleading. You should write the university official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by you, the university will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

(3) The right to consent of disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; a student employee; or a student serving on an official committee, such as a disciplinary or grievance committee, or one assisting another school official in performing his or her tasks. In addition, your records may be disclosed to your parent(s) upon request if your parent(s) claim you as a dependent for income tax purposes.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

The Family Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605
202-260-3887

The following items of student information have been designated by the University of Colorado at Boulder as public or "directory" information: name, addresses, telephone numbers, e-mail address, dates of attendance, registration status, class, previous educational institutions attended, major field of study, awards, honors, degree(s) conferred, past and present participation in officially recognized sports and activities, physical factors (height, weight) of athletes, and date and place of birth. Such information may be disclosed by the institution at its discretion. Buff OneCard photos and numbers (not social security numbers) are not considered directory information but are shared with other campus departments and associates of the Buff OneCard program.

You have the right to withhold "directory information" from inquirers by selecting a "privacy" or "limited-privacy" option. The privacy option will prevent all directory and enrollment information from being released to all who do not have a clear educational interest for access to this information. The limited-privacy option will prevent the release of directory information to off-campus inquirers and to campus directory services, but is not as restrictive as the privacy option.

Release of Disciplinary Information

Provisions of the Family Educational Rights and Privacy Act of 1974, as amended by the Higher Education Amendments of 1998, govern access to a student's disciplinary file. The student and/or those university officials who demonstrate a legitimate educational need for disciplinary information may have access to the student's disciplinary file. Parent(s), who provide proof that a student is a dependent as defined in Section 152 of the Internal Revenue Code of 1954 (i.e., a copy of the last federal income tax return listing the student as a dependent), can have access to the student's disciplinary file without written consent of the student. In this case, parents may also have access to a disciplinary file, even if the student has requested otherwise.

In addition, parent(s) may be notified if a student under 21 years of age is found responsible for a violation involving use or possession of alcohol and drugs.

The Campus Security Act permits higher education institutions to disclose to alleged victims of any crime of violence (murder, robbery, aggravated assault, burglary, motor vehicle theft) the results of the conduct proceedings conducted by the institution against an alleged perpetrator with respect to such crime. The Campus Security Act also requires that both accused and the accuser be informed of campus conduct proceedings involving a sexual assault.

Additionally, the Higher Education Amendments of 1998 permit disclosure of the final results of disciplinary cases in which a student has been found responsible for a violation involving violence or for a sex offense.

Course Forgiveness Pilot

Beginning with the fall 2001 semester, students have the opportunity, under a two-semester pilot program, to repeat a course under the course forgiveness plan. This opportunity allows undergraduate students who received a grade of D+ or lower in their original course (for graduate students, a grade of C+ or lower) to repeat the course and have the original grade removed from both total credit hour calculations and the grade point average. This gives students the ability to try to improve their G.P.A. by repeating a course in which they did poorly the first time. Undergraduates may take up to 10 hours of course forgiveness for any single or combined program; graduate students - up to 3 hours. The original grade will still appear on the transcript, but will be removed from both total credit hour calculation and G.P.A., after completing the repeated course. We recommend that students meet with their advisor prior to enrolling in the course forgiveness program. Application forms are available in the Office of the Registrar, Regent 105. Students must complete and submit the application prior to 5:00 p.m. on May 3, 2002. This deadline date may not be appealed. At the end of spring semester 2002, this program will be evaluated by the campus to determine if it will continue. For more information, visit the Office of the Registrar web site at registrar.colorado.edu.

Credit-Hour Limits and Course-Load Definitions

During the registration period (which begins November 5), undergraduate students can register for a maximum of 19 credit hours (15 credit hours for graduate students and 16 credit hours for law students), *including wait-listed courses*.

During the final drop/add period (beginning January 11), undergraduates are allowed to register for up to 21 credit hours, *including wait-listed courses*. **NOTE:** A tuition surcharge is assessed for every credit hour added over 18.

For undergraduate students, 12 credit hours is considered a full-time load for financial aid and for enrollment verification purposes. Graduate students qualify for full-time status for enrollment verification purposes if they are enrolled for 5 or more hours or any number of thesis hours. Law students need 10 or more hours for full-time status. Check with the Office of Financial Aid for full-and part-time status definitions for graduate students.

Credit and Grading Options

You can select the following credit and grading options via CU Connect and web registration when you register for courses. To make *changes* to credit and grading options, you can do this at the registrar's office in Regent 105 through 5:00 p.m. on February 1. (**Important: Be sure to read the highlighted note below.**)

- **No Credit.** To register for a course on a no-credit basis, call CU Connect and select the no-credit option (see page 16), or select the no-credit option when registering via the Web. You still pay full tuition for a no-credit course, but you do not receive a grade. An *NC* will appear on your transcript in place of a grade. Check with your college or school for policies on no-credit status and how it may be used.

NOTE: No-credit courses do not count toward full-time enrollment for financial aid purposes.

- **Pass/Fail.** Check with your college or school for the restrictions on the number and types of courses that can be taken pass/fail. To register for a course pass/fail, call CU Connect and select the pass/fail option (see page 16), or select the pass/fail option when registering via the Web.

Once you have signed up for a course on a pass/fail basis, it is *not* noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You are assigned a grade for the course. A grade of *D-* or above is converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted.

NOTE: If you attempt to change the status of a course from or to P/F or NC by telephone or via the Web, you will not be able to re-enroll in the course if it is closed or a wait list exists for the course. You can make this change without jeopardizing your enrollment in the course by filling out a credit-option form at the registrar's office in Regent 105.

- **Variable Credit.** All independent study courses and some regular courses are offered on a variable-credit basis (that is, they have a range of minimum and maximum credits). When you register via CU Connect or via the Web for a variable credit course, enter the number of credit hours you want to receive for the course when prompted. The number

of credits can be changed at the registrar's office throughout the registration and drop/add periods through 5:00 p.m., Friday, February 1.

E-Mail the Registrar

Have you ever had an academic records-related or registration-related question but didn't know whom to ask? Or have you ever had a comment you wanted to share with us about one of our programs or processes?

E-mail the registrar's office at registrar@colorado.edu to get some answers or make your comments. Your e-mail will be read by a staff member in the registrar's office and then forwarded to the appropriate person for a response.

E-mail Policy

E-mail is an official means of communication from CU-Boulder administrators and faculty to students. All students are issued a CU-Boulder e-mail account. Students are expected to check their CU-Boulder e-mail on a frequent and consistent basis in order to stay current with university-related communications.

Grade Information

To obtain information about grades at the end of the semester:

- Call CU Connect, the telephone registration system, at 303-938-8110, during regular hours of operation (see page 16). When prompted to enter an application code, enter a "2" to access the grading application. You'll then need to enter the term code for the semester you want to access, followed by your student number and your PIN. Term codes consist of the last two digits in the year followed by one of these numbers:

- 1 = spring
- 4 = summer
- 7 = fall

For fall semester 2001 grades, use the term code 017. For spring semester 2002 grades, use the term code 021.

- Look up your grades on PLUS on the Web at www.colorado.edu/plus.

NOTE: Fall semester 2001 grades will be available on PLUS and CU Connect *beginning* December 20. Spring semester 2002 grades will be available *beginning* May 9.

- Check to see if your grades are posted, as some instructors post grades for their courses outside of their offices, the

classroom, or the departmental office.

- Order official transcripts by:

- mailing a signed written request to Transcripts, 68 UCB, University of Colorado, Boulder, CO 80309-0068
- sending a signed FAX request to 303-492-4884
- calling in a request to 303-492-8987

The above methods for ordering official transcripts are free of charge and are normally processed (mailed 1st Class) within four business days. Please contact 303-492-8987 for rush service information.

There are two additional methods available for ordering an official transcript. Both are available 24 hours/day by a third party provider, VOICE FX. You may either call 1-800-613-3735 or contact them by Web at www.gettranscript.com and select the University of Colorado at Boulder. Transcripts through this service cost \$1.50 each. These are processed (mailed 1st class) within four business days.

- Order an unofficial transcript for a cost of \$1 (next-day service) or \$5 (same-day service) at the transcript window, Regent lobby, or by calling **303-492-8987**. Unofficial transcripts are not mailed off campus.

Graduation

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures.

Graduating students with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university.

NOTE: If you are receiving financial aid and are working on two majors (same degree) or a major and a minor and don't plan to graduate from both programs at the same time, your financial aid may be affected. For more information, contact the Office of Financial Aid (see page 7 for location), or call 303-492-5091.

It also includes important policy updates, future academic calendars, and a listing of frequently asked questions. You can access this information via the registrar's home page at registrar.colorado.edu.

Other Registration Programs

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these registrations, call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

ACCESS Registration

Nondegree students (students not currently enrolled in a degree program at CU-Boulder) may take Boulder main campus courses through the ACCESS (Available

Credit Courses for Eligible Special Students) Program. Register through CU Connect, web registration, or in person at the Continuing Education Office, 1505 University, beginning Friday, January 11. For information on registration eligibility and times for registration, please call 303-492-5148 or visit the ACCESS web site at www.colorado.edu/conted/access.htm.

NOTE: Nondegree students who are classified as non-residents may register for 3 credit hours or less through ACCESS and be assessed a rate less than regular nonresident tuition.

Concurrent Registration

If you plan to take at least one course at CU-Boulder in the fall and cannot register for all courses required for your degree program, you may be able to register concurrently on another CU campus. The course(s) must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must have their advisor's approval. If all these conditions are met, you may register on another CU campus for up to two courses or 6 credit hours, whichever is greater.

You cannot register concurrently until the final drop/add period has begun on the other campus. Boulder students pay Boulder tuition rates for all courses.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning January 2. For information, call 303-492-5747.

Note to Graduate Students: Check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Course Reservation Program

The course reservation program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a course and enroll in that course for the next semester before the next registration period begins. All undergraduate courses offered at CU-Boulder that use wait lists, except for controlled enrollment courses, are included in the course reservation program.

You are eligible to participate in the course reservation program for *fall semester 2002* if your name is on a wait list for a course as of 5:00 p.m. on January 23 (the wait list deadline), and you don't get enrolled in the course.

NOTE: This applies only to course wait lists on the Student Information System (SIS), not wait lists that may be kept manually by a department.

If you are on a course wait list as of 5:00 p.m. on January 23 and don't get into the class, you should plan to come into the registrar's office, Regent 105, 9:00 a.m. to 5:00 p.m., **March 18-28** to register for the course for fall 2002. Registrations will *not* be honored through the course reservation program after March 28. In addition, all restrictions are honored, and you must clear up any "stops" before registering. You will register for all other fall 2002 courses during your regular registration time assignment.

Faculty and Staff Registration

All permanent faculty and staff members at CU-Boulder may take 1 to 6 credit hours each year without paying tuition. Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call 303-492-5381.

High School Concurrent Program

High school students interested in the challenge of university course work may enroll in credit courses at the University of Colorado at Boulder through the High School Concurrent Program. In addition to earning college credit, students may also earn credit toward high school graduation requirements. Registration is available through the Division of Continuing Education. For information on eligibility and times for registration using CU Connect or web registration, please call 303-492-5148 or visit the high school concurrent web site at www.colorado.edu/conted/hconcur.htm.

Intercampus Registration

If you want to take course work on another University of Colorado campus but not go through the concurrent registration program, apply for admission to that campus and follow its registration procedures. Check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campus except in the summer.)

Late Registration

To be guaranteed enrollment for spring 2002, you must complete registration by **6:00 p.m. on January 10**. If you do not register by the deadline (this includes graduate students), you are subject to late registration. Only students in open categories are eligible for late registration. In addition, a lower registration priority and a **\$50 late fee** are applied.

If you are a continuing student, call 303-492-6970 on January 11 to see if you are eligible for late registration. If you are a new or readmitted student, go to the Office of Admissions in Regent 125 (303-492-6301) to check for eligibility. Students who are eligible for late registration must go to the registrar's office in Regent 105, to be set up for late registration.

Note: Since 1989, state law has required periodic emissions control inspections of motor vehicles in an effort to improve air quality in and around the six county Denver metropolitan area. All vehicles driving within this area for work or school ninety or more days each calendar year must have their emissions tested. Penalty fines may be assessed for non-compliance. For more information, call the Air Care Colorado hotline at 303-456-7090 or visit its web site at www.aircarecolorado.com.

Bike Registration

Bike Registration is mandatory for bikes parked on campus. The fee is \$5 for four years.

Senior Citizens Auditors Program Registration

All Colorado residents age 55 and older can register in this tuition-free, noncredit program to audit classes on a space-available basis. This program is sponsored by the CU-Boulder Alumni Association. Time Out Program

The Time Out Program (TOP) provides an opportunity for you to take a leave from the university for a semester or a year without losing your place in your current college or school. You must be in good academic standing and have your dean's approval. As a TOP student, you are guaranteed a place in your current college or school and major, providing you meet registration and deposit deadlines. When you register for your return semester, you will be given the same registration priority as other continuing

students. A nonrefundable \$40 application fee is charged for the TOP program. The TOP application deadline for spring semester is **February 27**. More information is available from the Office of the Registrar, Regent 105, 303-492-8673 or e-mail timeout@registrar.colorado.edu.

Withdrawal Procedures

If you need to withdraw from *all of your courses* for spring semester 2002, you can do one of the following. **Note:** In all withdrawal correspondence, be sure to include your name, student ID number, the semester from which you want to withdraw, and your signature.

- Fill out a withdrawal form in the registrar's office in Regent 105.
- Write a letter to the Withdrawal Coordinator, Office of the Registrar, 20 UCB, Boulder, CO 80309-0020. (Exception: Nondegree students withdraw through Continuing Education, 1505 University Ave., 178 UCB, Boulder, CO 80309-0178.)
- Fax a letter of withdrawal to 303-492-8748 or 303-492-4884.
- E-mail a statement of withdrawal (if the e-mail account is in your name) to withdrawal@registrar.colorado.edu.

You need not drop your courses; this is done for you. **Also, be sure to refer to the withdrawal "refund or assessment schedule" on this page.**

If you are registered for courses and do not officially withdraw from the university by contacting the registrar's office, failing grades are recorded for all of your courses.

For questions or more information about the withdrawal process, visit or call the Office of the Registrar, Regent 105, 303-492-8673 or e-mail withdrawal@registrar.colorado.edu.

NOTE:

- Deadlines and rules for withdrawing may vary within each college and school. Check with your dean's office concerning withdrawal rules.
- *If you drop all your courses and don't re-register, you are considered withdrawn from the university and you should notify the registrar's office.*
- If you withdraw from CU-Boulder but plan to return to the Boulder main campus in the future, you must either go on the Time Out Program (see page 39) or reapply through the Office of Admissions. (Students remaining enrolled in only Continuing Education classes must still either reapply or go on TOP to return to Boulder main campus.)
- Tuition assessments for students with financial aid (see pages 32-33) may differ from those listed on this page. Please check with the Bursar's Office at 303-492-5381. If deaf or hard of hearing, call 303-492-3528 (TTY).

Withdrawing students (including students applying for the Time Out Program) with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university. Failure to do so will result in a stop on your record. This stop will prevent you from receiving a diploma or an academic transcript of work at the university and from registering for any future terms. In order to complete a loan exit interview, contact the Student Loan Department in the Bursar's Office at 303-492-5571. If deaf or hard of hearing, call 303-492-3528 (TTY).

About Course Listings

Understanding Course Numbers

Courses are numbered according to the following guidelines:

- 1000-2999 Lower-division courses
- 3000-4999 Upper-division courses
- 5000-5999 Courses intended for graduate students and qualified undergraduates
- 6000-8999 Courses open to graduate students only

Enrollment in courses with a 700-, 800-, or 900-level section number is controlled by each department. The department staff will either give you the five-digit course call number which will permit you to register for the course directly (either via CU Connect or via web registration), or they will give you a special action form to take to the registrar's office.

Understanding Course Listings

The headers at the top of each column of the course listings include:

Core Diamonds—A diamond (♦) appears to the left of courses that fulfill a College of Arts and Sciences core curriculum requirement. (Refer to the College of Business Degree Requirements brochure for information on courses that fulfill the College of Business core curriculum requirements.)

Course Title—Often abbreviated; refer to the *University of Colorado at Boulder Catalog* for the complete title and course description.

Section Number—This three-digit number refers to the specific meeting pattern of the course. A single three-digit number is the lecture number. When an R, L, P, or S precedes the section number, it indicates that the section is a recitation (R), a laboratory (L), a practicum (P), or a studio (S), which must be taken in addition to the lecture. Some courses may have three: lecture, lab, and recitation.

Call Number—The five-digit number, specific to a particular term, that is used for requesting a specific section of a course via CU Connect and via web registration.

Time/Days—Meeting time and days of the class (M—Monday; T—Tuesday; W—Wednesday; R—Thursday; F—Friday; S—Saturday; and U—Sunday).

Building/Room—The building name and room number where the class meets; this is subject to change. (See page 43 for the building abbreviations.)

Maximum Enrollment—The maximum number of students allowed to enroll in the course.

Notes—When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed, e.g. exam dates, etc.

Remember: Some courses may not be available to you due to college or school restrictions or class size limitations. In this case, CU Connect and web registration will inform you with an appropriate message.

Department Headings—These will include the phone number and the department location.

Special Programs

ATLAS Technology, Arts & Media (TAM) Certificate Program

THE TECHNOLOGY, ARTS AND MEDIA PROGRAM CATALOGS, WITH COMPLETE LISTING OF COURSES AND FACULTY, ARE MADE AVAILABLE THE WEEK PRIOR TO THE GENERAL REGISTRATION HANDBOOK EACH SEMESTER. FOR A COPY OF THE TAM CATALOG, CONTACT KIMBERLEE IMING, TAM ADVISOR, AT IMIG@COLORADO.EDU. FOR MORE INFORMATION ON THE TAM CERTIFICATE PROGRAM, PLEASE REFER TO OUR WEB SITE AT: WWW.COLORADO.EDU/ATLAS/FCERTIFIC.HTML.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 120). You must take one course per MAPS deficiency per term. **Please note the following change in policy: If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a Core area, that course can be used to fulfill both the Core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS. Please contact your academic advisor for additional information.**

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the University of Colorado Catalog.

Selected majors are exempt from portions of the core curriculum (see sections 6, 8, 9 and 10 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one core requirement.

Skills Acquisition

Minimum Academic Preparation Standards

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

- English** 4 high school years (including 2 in composition)
- Mathematics** 3 high school years (2 in algebra and 1 in geometry)
- Natural Science** 3 high school years (including 2 in lab science, one of which must be chemistry or physics)
- Social Science** 3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography)
- Foreign Language** completion of a third-year-level course (level III) in a high school foreign language sequence

Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.
7. If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a Core area, that course can be used to fulfill both the Core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS.

Note: Please contact your academic advisor for additional information.
